* Reference is made to the identified SVHC properties in accordance with Article 57 of the REACH Regulation and to the corresponding classification in accordance with Annex VI, Table 3.1 (*List of harmonised classification and labelling of hazardous substances*) of REGULATION (EC) No 1272/2008 of the European Parliament and of the Council of 16 December 2008 on classification, labelling and packaging of substances and mixtures, amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006.

** ECHA proposes to set the LADs within the range of 18, 21 or 24 months after the date of inclusion in Annex XIV. The specific LAD allocation will be done when finalising the recommendation. For this, ECHA will use all available relevant information including that received in the consultation. ECHA's recommendation for specific LAD slots will be based on the *General approach for the preparation of draft Annex XIV entries for substances to be included in Annex XIV*¹ and as further specified in the *practical implementation document*². Substances considered as a group will be allocated to the same slot.

*** Reference is made to uses or categories of uses recommended to be exempted in accordance with Article 58(2) of the REACH Regulation. Uses or categories of uses for which the Regulation specifies that no authorisation is required under Title VII (Authorisation) are not listed.
